

Name _____

Nahafochu Now: Thinking Like a Mediator

Jeremy got to the lunchroom early and put his backpack down next to a chair at the table where he and his friends usually sit. He left for the bathroom. Meanwhile, Maya came to the table and sat in the chair next to Jeremy's backpack, not knowing it was taken. When Jeremy returned from the bathroom, there were no free seats at the lunch table with his friends.

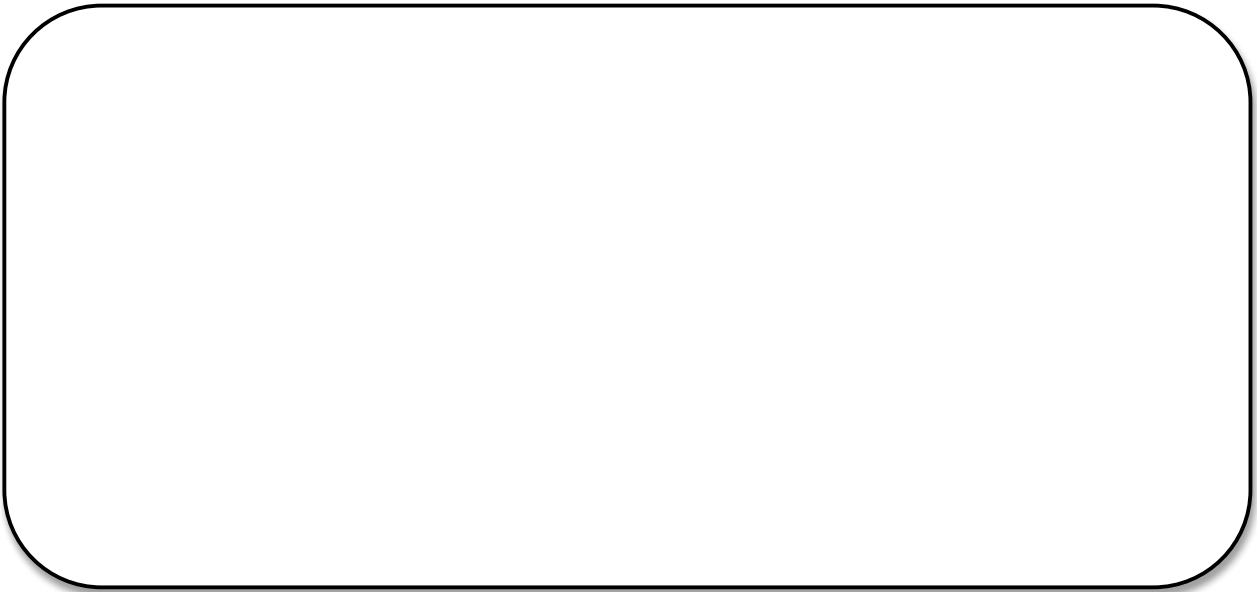

SIDE ONE: Jeremy's perspective

SIDE TWO: Maya's perspective

Name _____

Think of a conflict that has come up recently in your life. Briefly describe the conflict, and then try to draw the conflict from two different characters' perspectives.

SIDE ONE: _____'s perspective

SIDE TWO: _____'s perspective
